7. Esta vez, haga clic en el enlace Haga clic aquí para el Paso 2.

F	Provisio	n Service Account for Gmail	×
	Step 1:	Install the Trend Micro Cloud App Security application. Click here	
	Step 2:	Grant Cloud App Security the permission on the APIs requested to access your Gmail related service data. Click here	
	Step 3:	Click Done	

- 8. En la nueva ventana que aparece, haga clic en su cuenta de superadministrador de Google y, una vez en la pantalla de autorización, haga clic en **Permitir**.
- 9. Vuelva a la consola de administración de Cloud App Security como se indica y haga clic en **Listo**.

Cloud App Security comenzará a sincronizar su información de usuario y grupo de Gmail. El tiempo requerido depende de cuántos usuarios y grupos tenga en Gmail.

10. En la esquina superior derecha de la consola de administración, pase el mouse sobre el ícono de la campana y verifique si el aprovisionamiento de Gmail se realizó correctamente.
